**Faculty Information:**
- Last name: Alias
- First name: Vineetha
- Faculty Position: Assistant Professor
- Department: General Pediatrics
- Institution: St. Christopher's Hospital for Children
- Phone: 215-427-4715
- Email Address: vineetha.alias@drexelmed.edu

**Type of Research?**
Quality Improvement Activities/Research

**Please describe your research interests:**
Oral Health

**Please provide a brief description of research opportunity/project(s):**

1) **Title of project(s):** The Effects of Initiating an Oral Health Program at St. Christopher's Hospital for Children

**Brief Description:** Based on the great need for medical dental collaboration, our hospital recently started incorporating oral health education and fluoride varnish at well visits. We would like to measure the impact of these efforts on the child's health.

**Duration:** 6 months

**Time commitment:** flexible but 4-8 hours a week

**Specific Requirements:** none

**Funded or unfunded (yes or no):** no

**Please indicate the specific level of experience required, if applicable:** Open to all medical students
