Q1 Faculty Information:

Last name: **Atkinson**
First name: **Norrell**
Faculty Position: **Professor**
Department: **Pediatrics**
Institution: **St. Christopher's Hospital for Children**
Phone: **215-427-3806**
Email Address: **Norrell.Atkinson@americanacademic.com**

Q2 Type of Research? **Clinical Research**

Q3 Please describe your research interests:

Dr. Atkinson is interested in child abuse and neglect research.

Q4 Please provide a brief description of research opportunity/project(s):

1) Title of project(s): **Is there any value to performing a skeletal survey with a view of the head when a concurrent 3D CT is performed to rule out abuse?**

Brief Description: **The project will examine x-ray images of the head and compare findings to that of 3D CT images. We are hoping that this project will determine if skeletal survey indicates any clinically relevant findings not addressed on 3D CT in an effort to limit radiation exposure.**

Duration: **6 months**

Funded or unfunded (yes or no): **No**

Q5 Please indicate the specific level of experience required, if applicable: **Open to all medical students**
