Q1 Faculty Information:

Last name:	Eskin
First name:	Bernard
Faculty Position:	Professor
Department:	OB/GYN
Institution:	Drexel University
Phone:	215 762 2069
Email Address:	Bernard.Eskin@drexelmed.edu

Q2 Type of Research? **Clinical Research**

Q3 Please describe your research interests:

The transition from menopause to geripause and the associated changes in hormones and growth factors

Q4 Please provide a brief description of research opportunity/project(s):

1) Title of project(s):	Estrogen and IGF-1 correlations during menopause and aging
Brief Description:	We investigate the levels of sex hormones and IGF-1 in a cohort of women between 40-80 to determine the changes involved with the transition from menopause to geripause
Duration:	4-6 weeks
Time commitment:	20-40 hrs/week
Specific Requirements:	Possess good writing skills

Q5 Please indicate the specific level of experience required, if applicable: **Open to all medical students**
