Q1 Faculty Information:

Last name:	Maxwell
First name:	Christina
Faculty Position:	Assistant Professor
Department:	Neurology / Neurosurgery
Institution:	Drexel University College of Medicine / Drexel Neurosciences Institute
Phone:	2157621348
Email Address:	crm327@drexel.edu

Q2 Type of Research? **Clinical Research**

Q3 Please describe your research interests:

I direct the research program for neurology and neurosurgery. I am the research point person after the pathway directors. I provide first and second year medical students with neurology and neurosurgery research ideas and third and fourth year with formal research projects. Most studies are retrospective chart reviews for many neurological and neurosurgical conditions.

Q4 Please provide a brief description of research opportunity/project(s): **Respondent skipped this question**

Q5 Please indicate the specific level of experience required, if applicable: **Open to all medical students**
