**Q1: Faculty Information:**
- Last name: Sinha
- First name: Ashish
- Faculty Position: Vice Chairman (Research)
- Department: Anesthesiology & Perioperative Medicine
- Institution: DUCOM
- Phone: 215-762-3544
- Email Address: Ashish.Sinha@DrexelMed.edu

**Q2: Type of Research?**
- Clinical Research

**Q3: Please describe your research interests:**
- Obesity, Airway devices, Post op nausea and vomiting, sleep apnea

**Q4: Please provide a brief description of research opportunity/project(s):**

1) **Title of project(s):** Improving Airway access with new device in obese patients
   
   **Brief Description:** Comparing Cormack Lehane scores in morbidly obese patients
   
   **Duration:** On going
   
   **Time commitment:** Negotiable
   
   **Specific Requirements:** Enthusiasm
   
   **Funded or unfunded (yes or no):** No

2) **Title of project(s):** Use of Open CPAP to improve recovery in OSA patients
   
   **Brief Description:** Using a new 'open' CPAP mask in OSA patients postoperatively
   
   **Duration:** On going
   
   **Time commitment:** Negotiable
   
   **Specific Requirements:** Enthusiasm
   
   **Funded or unfunded (yes or no):** No

**Q5: Please indicate the specific level of experience required, if applicable:** Open to all medical students
