“HPV Vaccine: Attitudes and Ethics” Poster presentation based on MPH research
- **Sex and Gender Research Forum** January 2008
Drexel Institute for Women's Health and Leadership

“HPV Vaccine: Attitudes and Ethics” MPH research poster presentation

Research Experience

- **Master of Public Health** 2006-2007
“HPV Vaccine: Attitudes and Ethics”
Master’s project on attitudes towards and access to the HPV vaccine among poor and underserved women in Philadelphia. Work included literature review, survey development, survey administration, and data analysis. Worked with the Ethics of Vaccines Working Group at the University of Pennsylvania Center for Bioethics
- **Clinical Research Assistant, Institution, City, State** 2003-2004
Stroke neurology and neuroradiology. Primary project was a follow-up survey of patients with transient monocular visual disturbance, assessing the future risk of stroke.
- **Women’s Studies Senior Project, Institution, City, State** 2002-2003
“Women in Science”
Project combined a historical review of women in science with an interview of a biologist whose career spanned the 1950’s, 60’s and 70’s.

Work Experience

- **Orientation Coordinator** Summer, 2005
Assisted in the planning and coordination of a week-long orientation program for incoming medical students. Provided advice and counseling to new students.
- **Clinical Research Assistant, Big City Hospital, City, State** 2003-2004
Research Assistant to a neurologist /neuroradiologist. Managed current studies, analyzed data, performed literature searches and maintained IRB protocols. Assisted in patient care. Planned the Big City Stroke Society Meetings.

Volunteer/Community Service

- **Eliza Shirley Clinic, Philadelphia, PA**

Medical students run a free walk-in clinic at a homeless shelter for women and children in downtown Philadelphia. Volunteer responsibilities include patient interviews, exams and presentations. Coordinator responsibilities included patient triage, pharmacy inventory and volunteer coordination.

Coordinator: 2005-2006

Volunteer: 2004-2007

- **Medical Students for Choice**

“Medical Students for Choice® (MSFC) is dedicated to ensuring that women receive the full range of reproductive healthcare choices”. Organized the Manual Vacuum Aspiration workshop for the 2005 regional conference held at Drexel. Attended and participated in fundraising for the National Conference in 2006 and 2007. Participated in school events.

Member: 2004-present

- **Physicians for Human Rights**

“PHR’s Student Program strives to advance health professional students’ understanding and lifelong investment in health and human rights activism, and to cultivate their unique contributions as advocates promoting health and human rights locally, nationally and globally”. Participated in planning World AIDS Day events, 2004

Member: 2004-2005

- **American Medical Women’s Association**

Attended mentoring and other events. Organized the anatomy lesson for Girl Scout Women in Medicine workshop.
