U.S. Citizens or Permanent Residents.	2 years	U.S.	varies	Sept/Oct
<u>NSF Graduate Research Fellowship (GRFP)</u>	Financial support to top students who are committed to research careers. Students must demonstrate both Intellectual Merit and Broader Impacts.	U.S. Citizens or Permanent Residents. M.S. or Ph.D. students only.	3 years	U.S.	\$30,000/year + educational stipend	Nov

The Drexel Fellowships Office supports students across the University in their applications for competitive national and international fellowships. The Office is available for one-on-one appointments and helps students create strong applications through intensive individual advising and support. For more information and upcoming fellowship deadlines, please visit www.drexel.edu/fellowships or send an email to fellowships@drexel.edu! Interested students should also contact Marie Hartman, Academic Director of the DUCOM Career Development Center at mhartman@drexelmed.edu.
