Physicians, nurse practitioners, physician assistants, nurses, pharmacists and other clinicians who provide HIV care.

Learning Objectives

As a result of this program, participants will be able to:

1) Describe new developments in antiretroviral therapy
2) Summarize evidenced-based prevention interventions providers can implement in clinical settings
3) Describe treatment considerations for patients co-infected with HIV and HCV
4) Describe impact of HIV on the over 50 population in the United States
5) Identify current screening and treatment recommendations to reduce HIV patient’s risk of cardiovascular complications
6) Summarize best practices in treatment of HIV patients with a history of substance abuse

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of Drexel University College of Medicine and the PA/MidAtlantic AIDS Education and Training Center of the Health Federation of Philadelphia. The Drexel University College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. AMA: This program is eligible for 6.0 credits in Category 1 of the AMA Physician’s Recognition Award (PRA) Physician’s Opportunities. The Pennsylvania/MidAtlantic AIDS Education and Training Center of the Health Federation of Philadelphia is accredited by the Accreditation Council for Continuing Medical Education to provide continuing education for healthcare professionals. AOA: This program is eligible for 6.0 credits in Category 2A of the American Osteopathic Association.

FACULTY DISCLOSURE STATEMENT

It is the policy of Drexel University College of Medicine to insure balance, independence, objectivity, and scientific rigor in all its sponsored educational programs. Speakers at continuing medical education activities are required to disclose to the audience their financial relationships with the manufacturer(s) of any commercial products, goods or services related to the subject matter of the program topic. Any conflicts of interest must be resolved prior to the presentation and announced to the audience. The intent of this disclosure is to allow participants to form their own judgments about the educational content of this activity and determine whether the speaker’s commercial interests influenced the presentation. In addition, speakers are required to openly disclose any off-label, experimental, or investigational use of drugs or devices discussed in their presentation.

DISCLOSURES:
The following faculty have no commercial relationships to disclose: Helena Kwakwa, MD, MPH; Christopher Bruno, MD; Laura Bamford, MD; and Victoria Cargill, MD.

ADDITIONAL FACULTY DISCLOSURES AND ANY NECESSARY CONFLICT RESOLUTIONS WILL BE STATED IN CONFIRMATION LETTER TO REGISTERED PARTICIPANTS, AND AT THE PROGRAM.

The following Planning Committee members have no commercial relationships to disclose: Elizabeth Schmidt, CRNP; and Obara D’Alessandro, MPH.
