Comprehensive Colposcopy for the Women’s Health Practitioners: A State of the Art Course in Cervical and Lower Genital Tract Pathology

Experience the Multidisciplinary Approach with Simulated Instruction!

Purpose/Goal
The purpose of this program is to present in a multidisciplinary, educational forum the most current scientific evidence for the diagnosis and management of cervical and lower genital tract pathology.

Target Audience/Who Should Attend
Registered Nurses, Advanced Practice Nurses, Midwives, Physicians, Physician’s Assistants and any Healthcare Professional with at least one year experience in women’s health care and an interest in learning the most current indications and techniques of colposcopy.

Overall Program Objectives/Learning Objectives
- Review the components of a complete gynecologic history and physical examination that is focused on cervical, vaginal, vulvar, and anal anomalies
- Discuss current screening guidelines for cervical and lower genital tract cancer prevention
- Discuss the indications for colposcopic examinations and biopsy
- Identify abnormal cytopathology and histopathology findings and colposcopic patterns
- Discuss the current appropriate management of premalignant and malignant diseases of the cervix and lower genital tract

Why Drexel Colposcopy?
Using experts from fields such as Nursing, Infectious Disease, Sexual Health, Urology, Colorectal and Pathology, our new colposcopy course will cover everything you need to know.

At Drexel University, we believe in a collaborative approach to continuing education. Whether you’re a RN, NP, PA or MD, our approach to teaching the correct procedures will benefit all. Our course focuses on key topics within the medical community that are of interest to all: patient safety and quality improvement. Attendees will benefit from our use of simulation training to leave confident in the skills they have learned.

CME Accreditation
Drexel University (DREXEL) College of Nursing and Health Professions, Division of Continuing Nursing Education, is accredited by the American Nurses Credentialing Center’s Commission on Accreditation.

Accreditation does not imply that Drexel University (DREXEL) College of Nursing and Health Professions, Division of Continuing Nursing Education or ANCC-COA approves or endorses any product included in an educational activity. DREXEL also has provider status with California BRN: Provider #CEP13661.

Contact Hours
18.5 Continuing Nursing Education Contact Hours

CME Disclosure Statement
All faculty at nursing continuing education activities are required to disclose to the audience (1) any significant financial relationships with the manufacturer(s) of any commercial products, goods or services and (2) any unlabelled/unapproved uses of drugs or devices discussed in their presentations. Such disclosures will be made in writing in the course presentation materials.

CME Accreditation Statement
Drexel University College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. AMA: The Drexel University College of Medicine designates this educational activity for a maximum of 26 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity. AOA: This program is eligible for 26 credits in Category 2A of the American Osteopathic Association.

Faculty Disclosure Statement
It is the policy of Drexel University College of Medicine to insure balance, independence, objectivity, and scientific rigor in all its sponsored educational programs. Speakers at continuing medical education activities are required to disclose to the audience their financial relationships with the manufacturer(s) of any commercial products, goods or services related to the subject matter of the program topic. Any conflicts of interest must be resolved prior to the presentation and announced to the audience. The intent of this disclosure is to allow participants to form their own judgments about the educational content of this activity and determine whether the speaker’s commercial interests influenced the presentation. In addition, speakers are required to openly disclose any off-label, experimental, or investigational use of drugs or devices discussed in their presentation.

Tuition
$1,100 - Includes program material, lab fees, contact hour certificate, continental breakfast and beverage breaks, each day.
