The Annual Day of Trauma
November 5, 2011

Target Audience
Trauma Center Directors and Coordinators, Cardiothoracic, Trauma, General and Plastic Surgeons, Emergency Medicine, Infectious Diseases, Pulmonary Medicine and Primary Care Physicians, Orthopedics, Neurosurgery, Quality Assurance/Risk Management Personnel, Physician Assistants, Nurse Practitioners, Registered Nurses, EMS Providers, Paramedics, Fire Department Personnel, and other Allied Health Professionals.

Educational Objectives
After attending this program, you will be able to:
• Discuss the management of patients with penetrating trauma to both the chest and abdomen.
• Describe the options available for the control of hemorrhage in patients with complicated pelvic fracture.
• Identify the signs of abuse in the pediatric patient.
• Describe the management of patients with combined traumatic injuries and burns.
• Explain how historical developments in trauma care and technology contribute to improved patient care in the present day.
• Describe and discuss the unique issues associated with trauma in the elderly population.
• Identify the priorities in the management of patients with penetrating trauma to the chest.
• Describe the options in management of pediatric patients with blunt abdominal trauma.

Accreditation Statement
This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of Drexel University College of Medicine and Hahnemann University Hospital-Tenet. Drexel University College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

AMA The Drexel University College of Medicine designates this live activity for a maximum of 6.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AOA This program is eligible for 6.5 credit(s) in Category 2A of the American Osteopathic Association.

PSHA Hahnemann University Hospital-Tenet is an approved provider of continuing education by the Pennsylvania Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This activity qualifies for 7.0 contact hours.

EMS Con Ed credits have been applied for.

Faculty Disclosure Statement
It is the policy of Drexel University College of Medicine to insure balance, independence, objectivity, and scientific rigor in all its sponsored educational programs. Speakers at continuing medical education activities are required to disclose to the audience their financial relationships with the manufacturer(s) of any commercial products, goods, or services related to the subject matter of the program topic; conflicts of interest must be resolved prior to the presentation and announced to the audience. The intent of this disclosure is to allow participants to form their own judgments about the educational content of this activity and determine whether the speaker's commercial interests influenced the presentation. In addition, speakers are required to openly disclose any off-label, experimental, or investigational use of drugs or devices discussed in their presentation.

Acknowledgements
Educational and display grants will be acknowledged at the program.
