Based on my personal observation, this student needs assistance in one or more of the following areas that students are expected to uphold:

1. **Reliability and Responsibility**
   a. To act at all times in an ethical, responsible, and dependable manner
   b. Admit errors and accept responsibility for one’s own actions
   c. Conduct oneself in accordance with the Drexel University College of Medicine Honor Code
   d. Maintain an honest approach to all activities so as to be deemed worthy of trust
   e. Treat patients, fellow students, faculty, administrators and staff with respect, empathy, compassion and sensitivity
   f. Complete all assigned tasks in a timely and responsible manner. Arrive on time for scheduled activities
   g. Maintain composure during difficult interactions
   h. Report inappropriate behaviors (academic dishonesty, falsification of patient information, etc.)
   i. Respond promptly when contacted whether by personal or electronic means

2. **Self-Awareness**
   a. Demonstrate an ability to identify areas of deficiency in one’s own performance; attend to one’s own well being
   b. Accept constructive criticism and modify behavior based on feedback
   c. Project a professional image in interpersonal relationships, manner, dress, and communication (including electronic) that is consistent with that expected of a member of the medical profession
   d. Demonstrate self-motivation and accountability for one’s own learning
   e. Request help from appropriate support structures when needed

3. **Team-building and communication**
   a. Facilitate communication among team members; appreciate the value of other members of the health care team in providing patient-centered care.
   b. Provide supportive and constructive feedback. Provide mentoring and advice to peers when appropriate
   c. Listen to others respectfully and attentively.
   d. Resolve conflicts in a collegial manner
   e. Discuss colleagues in a respectful manner. Credit others for their contribution to shared work.
   f. Attend class and meetings for their full duration and prepare appropriately for class activities
   g. Demonstrate accountability when unable to fulfill responsibilities.
4. **Patient-Centered Care**
   a. Meet all clinical responsibilities.
   b. Display compassion and respect for all patients and team members even under difficult circumstances
   c. Discuss/refer to patients in a respectful and non-judgmental manner
   d. Maintain confidentiality of patient information
   e. Acknowledge limits of knowledge within clinical setting
   f. Take on extra work when appropriate for the benefit of the patient
   g. Demonstrate respect, integrity, compassion and responsibility toward patients
   h. Ensure that coverage for patients is provided for patients when unable to fulfill responsibilities
